“ George and I are still in disbelief over Allan's passing. I met Allan so long ago, I can't even remember the first time, but I do remember liking him immediately. He was a great husband, father, stepdad and grandfather, and the family has definitely suffered a great loss. We have a lot of great memories that we will always cherish! Prayers for everyone as they prepare to say goodbye for now. As God has promised, we will see him again.

“ I first met Allan one year ago. I enjoyed having many conversations with Allan. He often spoke of his love for his family. I have not spoken with him for several months and questioned his health because he had commented to me of a problem he was having with his health. He will be missed by many and my prayers go out to his family. He was a good man and I am sure he is in heaven. May God Bless those who loved him and have been left behind!

“ I have lost the closest thing to a brother I ever had; not having had any brothers or sisters. Growing up as a neighbor to Allan we cut our wrist (as we had seen on TV with Indians)and put our blood together so we would be Blood Brothers. I always said that being a year younger than me Allan failed a year of school just to wait up to graduate with me. We shared everything together and learned to play sports very competitively as we beat each other up everyday in our yards. We both got married and went to work which separated us time-wise but we never quit caring for each other ; and we were always there for each other if we needed a friend to talk to. Allan called me from the beach just last September when my mother passed away just to let me know he was there for me. You will always be my Brother Allan and I will miss you very much. I will treasure all of our childhood memories and we will play one on one again someday in Heaven. May God give you Peace and Joy Forever. Goodbye my friend until we meet again.

My deepest sympathy to all who loved Allen, but particularly Sandra. I know the pain, hurt, and shock of losing the person you love most and with whom you have spent so many years. Nothing can really lessen the grief except, perhaps, time, and additionally, your family and friends, who will want to help. All of us who knew Allen knew him as a person who enjoyed life, and as a person who cared about others. The world is impoverished by his departure.

Allan was my husbands best friend growing up. They were inseperable only by the crossing of Westover drive. Allan's mother babysat Mike, so they were like brothers Then Allan came to work in the Haley family business and for many years they were together again. Sandra and Allan were great friends to us both. Allan truly loved Sandra and all of the grandchildren and had a twinkle in his eye every he spoke of them. I love you Allan and will miss you so much. I am sure I will see you again in heaven. To Sandra and the rest of the Bledsoe family, I pray that your wonderful memories of "POP" will sustain you .God bless each one of you.I love you!
