“ *OMG, I had no idea she was sick. I remember her from Woodberry Hills Elementary and then at GW a class behind me. A wonderful softball player and spirit. I always regretted not getting to know her better after knowing her so many years off and on. I am too stunned and saddened to learn a piece of sunshine has faded to Heaven. She blessed so many in so little time. I know despite her dash no extending as nearly long as it should she will touch lives for decades to come. My thoughts and prayers are with you all today and beyond. God bless Blair and all she means to so many.*

“ Blair was such a smart, loving, and bright young woman. She is so out going and we could talk for hours. Although so many miles had separated us for our whole lives, she will always be a best friend and cousin of mine. We never let the distance between us pull us apart. We enjoyed each others company greatly. I love her so much and can't believe we won't see her beautiful face again. I love you very much Jimmy, Beverly, and Hart and so sorry for our/ your loss. Blair was one of a kind and will be greatly missed.

“ Jimmy, Beverly and Hart, Words can not express my sadness in hearing of the passing for Blair. I remember Blair running around to soccer field as Hart and Steven played on the Danville City League and Traveling teams. She was such a sweet and funny girl. I watched her play softball and will always remember that beautiful smile. I'm still in shock over hearing she is no longer with us on this earth. She will always be with us in our memories and our heart. Our thoughts and prayers are with you and your family at this sad time in your life.
