“ I very sorry to hear of your loss. Charlene was my favorite kissing cousins. We would visit every summer and while she was older than me always found time to spend time with us. We always argue whether we all had the accent or yours guys did. Curious is living in Florida and family in the Carolinas changed her thoughts on the topic later in life.

Keeping you in my prayers

“ We are so sorry and shocked to hear of the passing of our cousin Charlene. We shared so many happy memories growing up and visiting East Providence. So much time has passed for all of us but those memories will keep us always thinking of her. I know Uncle Charlie and Aunt Ruthie will be greeting her with love. Charlene, Rest In Peace. 🙏❤️
