“ Over the last two days I have spent a lot of time remembering the years we spent together my Brother. In our growing up years we were inseparable, everyone always asked what are you and Don doing tonight. Boy did we ever have some times, our beach trip after I graduated, the weekends at Sugartree, hanging out at Lois house and the numerous parties. The times we had will forever be in my head, my heart and my soul.

The world has lost one of the good ones, Rest in peace my friend.

And the road goes on forever
