“ Edith, I am still in shock to hear of your passing! I will remember our painting classes together at your house, Your Beautiful Artwork, which I always told you to sell and make some money, our trips to the beach, collecting every shell in site to put outside in your garden, your sewing skills, wow you really were a very talented lady! I am so glad I got to talk to you a week before your passing. My prayers are with your children and grandson who would come to visit and walk my dogs. God Bless You Edith!

“ I have only known this special lady for a short time, but I loved her energy and spirit. The last time I saw her, she was dancing and singing and having a good time with her friends. She will be missed around here in Hampstead, NC. My thoughts go out to her family and especially to Paul, who I know loved Edith very much and made her happy in what turned out to be her last days. Too soon, Edith. RIP

“ *This was so unexpected and I want you to know Edith and I met a few years back, we didn't spend much time together, for some strange reason the first time I seen her I felt like she needed a girl friend regardless of our age difference, she was friendly and always thought of others before herself, she would even struggle at times to make sure the needs of others were met. I wish she was more at peace but sometimes situations take over and become to hard. She will be missed dearly, her body & soul is rested at peace... she's in gods hands now and with her mama. All My love Christine & Kyle & Lou*

“ *May you all find God's comfort and peace now and in the days to come. Edith was a cousin as our grandmothers were sisters. Remember times at the Stone's with Edith when we would come to visit.*
