“ *Family, so sorry for your loss! I came to Sutherlin, 17 years ago and in a couple of days Guy came by my home to invite me to church. We talked and he told me a lot of history about my new home and Sutherlin, who to know and who to stay away from. Guy told me if I needed anything to let him know, he helped me with some plumbing and electric problems and I knew he was there for me if I needed him. He was one of those men who would give you the shirt off his back, he will be greatly missed.*
