“ Ruth Wright Setzer lit a candle in memory of Harold Dean Epling

“ It meant so much to us that Uncle Harold made the trip to see his sister, my mother Justine, when she was at the rehab center. I wish I had been there to visit with him.

It was such a kind, caring thing to do. She is not well herself, but I know she loves her brother, and we have hope in the Lord's promises that we will all meet again.

Our hearts go out to the family for their loss.

Much love,

Rose Harrington
