“ So sorry for your loss. I was not privileged to know your family but my grandfather was Henry Washington Inman, also born in Pittsylvania Co. to Doss and Gillie Inman. I thought we might be cousins. I am an only, as was my mother and both of my parents have passed so I am always looking for family. Your father looks and sounds like he was a wonder husband and father. Kitty Adkins

Phyllis and family....hearing of the passing of Hubie was very sad. It was always great to see you guys when you came to Kingsport. He had a wonderful sense of humor and no doubt about his love for God. I am so sorry none of us could get over there for his funeral; but my thoughts were with you guys all day and continue to be. I watched the entire video and how wonderful it was....cherish that. I know these will be trying days; weeks; months. But just know he is with his Lord and Savior; and what rejoicing is going on with those who have gone on before. We love you and hope we can see you again before too long. hugs and prayers.
