“ Cindy, I just saw this and wanted to send my deepest sympathy to you and the rest of Jane's family. Everytime I ran into Jane I would ask about you and your family. She was always fun to talk to. I am sure you will miss her.
Again, just wanted you to know I am so sorry to hear of her passing.

“ Most of my memories of Aunt Jane was when I went into KMart as a little girl and she was behind the service desk. I thought she was the boss. She probably was. I was also confused as to whether she was Telitha or Jane...I thought perhaps they were twins. Even though I hadn't seen you in a while, you were often on my mind. You'll be missed.

I've tried to call her Jane but it has never worked for me. I'm the only one around who calls her Telitha.
