“ I worked with Jon for just over 4 years at Annin and he was always such a pleasure to work with. When I would come to his office he would always say "what's up buddy" and whatever the problem or situation that I needed his help with it was always "no worries, we got this". Jon was so easy going and could talk to anyone and calm them down if they were angry or upset about something. He was awesome to work with and he will be greatly missed.

“ I have been reflecting on was it means to be a good man. My conclusion is the example that Jon set each and everyday. Jon was much more than my Manager. He was my dear friend. We often had conversations about how similar our up bringing's were. I am left with this simple thing he said to me after each conversation. " No worries". Rest easy my friend we will meet again.

Lynn and family, so sorry for your loss. I worked with Jon at Annin in the shipping Dept. Jon was the most caring and hard working man I have ever worked with. He was always smiling and always took time to speak and help us when we needed it. It was an honor to know and to work with him. He will be greatly missed. Praying for all of you.
