My sincere condolences to Donnie and Marsha on your tragic loss. My heart goes out to you both in this sad time. Another angel has gone to heaven to do the Lord's work. He'll be happy and content in the presence of the Lord. Don't be sad, he's earned his wings and will be forever looking out for you two. Remember all the good times and keep these in your heart and the pain will not be so bad.

He was an amazing young man that loved life, and his friends. He was such a true friend to my son Clark Swann always there for him even when he was on the road for many years. We will miss his smile, his humor and kindness everyday but, will take comfort that a very special angel will be watching over us!*
