“Hi, I did not know Michael personally but I know how very hard it is to lose a loved one in death and I wanted to express my deep sympathy. At times like this, Ive found Jesus Christ's words at John 5:28,29 to be very comforting where he promised that "the hour is coming when all those in the memorial tombs will hear his voice and come out to a resurrection of life." I look forward to that day. Feel free to contact me at the email address listed and again, I'm so sorry for your loss. I will keep your family in my prayers.

“ Eddie Sue Abbott, I worked with Mike for a short time at Swedwood. Mike was a great team leader and knew the Bos line better than most. He enjoyed talking about his sons and the sports they played. He was so proud of them. It was a privilege to have Mike as a team leader, but more to call him a friend. My heart goes out to his family.
