

Perry Hill Light

September 21, 1961 - January 11, 2026

Perry Hill Light, 64, of Sam Moss Hayes Road, Creedmoor, NC, passed away on Sunday, January 11, 2026.

Perry was born in Danville, VA on September 21, 1961, a son of the late Pleasant Hill Light and Annalee Scott Light.

Perry was raised in Danville, Virginia, before relocating to North Carolina, where he lived in Butner and later Creedmoor. Though he made his home in Creedmoor, Danville always held a special place in his heart and remained the place he considered home. He was the owner and operator of Lights Body Shop and had a true passion for working on cars, especially his race cars.

Perry also enjoyed spending time at Hyco Lake, visiting the beach, and he loved to grill. He was a truly kind and loving soul, happy-go-lucky at heart, spreading laughter and light wherever he went through his humor and boisterous laugh.

In addition to his parents, he was predeceased by his brother, Garry Hill Light.

Survivors include his son, Bradley Light (Dana); his daughter, Jenna Budrovich (Evan) his siblings, Barry Hill Light, Rebecca Collins (Harold), Regina Martin (Curtis), and Wesley Light; his nephews, Scott Light, Brandon

Collins, and Bryce Collins; his great nephews, Landon Light, Lane Collins, Nolan Collins, Abel Light, and Sully Light; a great niece, Birdie Annalee Collins; a granddaughter, Ruby; and his girlfriend, Marsha Blackley.

Funeral services will be conducted on Saturday, February 14, 2026 at 2:00 P.M. at the Wrenn-Yeatts Westover Chapel with Pastor Lee Von Eime officiating.

The family will receive friends prior to the service from 1:00 P.M. to 2:00 P.M. at the funeral home.

A family gathering and burial will be held at a future date.

In lieu of flowers the family suggests memorial donations can be made to the Danville Humane Society at 996 South Boston Rd, Danville, VA 24540.

“True Love Is Forever, until we meet again.”

Wrenn-Yeatts Westover Chapel is respectfully serving the Light family.

“ We had many fun times and boat rides with you P Lite! You were always willing to help with your mechanical skills with the boat when needed. Thanks for that and all the good times we had with you! I will think of you on our birthdays. We will miss you being at the lake and stopping by your dock to pick you up to go on our adventures. Won't be the same for sure. We will always remember your smile and laugh and dropping you off for you to say “nice to meet y'all” everytime! Nice to meet you my friend. Fly high in heaven and know you will be missed down here.

Life has not been too great for me these past few weeks. I watched you struggle with your demons daily, but you are free from the pain and your heart is at peace now. I miss and think of you every day. I talk to your picture every night waiting to hear you say BABY. we shared a lot of good times and a whole lot of laughs not to mention all the junk we talked to each other. Perry was a morning person and I am not. He would say to me good morning, beautiful very loud. I had to respond with I love you and a kiss in a timely matter or he would say did you forget to tell me something this morning? Perry would call me his angel with an attitude because if I didn't agree with him, I would sure let him know it. He would also say we were best friends then he would also say he was the best thing to ever happen to me. Lol. Now, I have to learn how to live without my best friend and the love of my life. I miss you and I love you until we meet again.

We met in high school and bonded over our love of mustangs. A friend for 50 years and always had a good time what ever we were doing. I have been reflecting a lot the last few weeks of the memories we shared. From the times of working out in the shop that your daddy had to the great business you built in Butner. All the times we would share growing up together. He was in my wedding and went through the good and bad times together. Got to spend some time with him at the lake back in November and was so glad I have those moments to remember. Our last conversation was on Friday before he passed Sunday. The shock of you being gone is still hard to believe. Will miss you my friend!!

“ I am really going to miss Perry. He was one of my close friends. I am still in disbelief mode. Whenever he needed me for something I was there and whenever I needed him for something he was there. We often talked on the phone just to catch up and to see how each of us were doing. I remember when my baby brother passed in October of last year and Perry was there at the funeral. He would tell me that he loved me and I would do the same because we were just like brothers and we had a brotherly love. Perry also came to my house and brought food for us to eat after I got home from a hospital stay. He, me, and my wife Prayed, ate and fellowshiped. Growing up, we worked together at Asplaunt in Creedmoor. I coached Bradley in Rec. league basketball and we would get together as families on special occasions. I also did brickwork for him around his swimming pool and helped with some of the install of the pole. I could go on and on about how awesome of a person Perry was but this page wouldn't be long enough. Family, I encourage you to keep your head up and stay close together as family should be. Remember the good times, flush pass mess, say your sorry's and just love on each other because tomorrow isn't promised to none of us. God is love and he is still in charge.

Close friend,
Lester Walker

P.S. Perry I really miss you my forever brother!

Perry and I have been friends for many years. I met Perry when he lived in Butler doing body work in his backyard and working on his race car before building his body shop in butler. Thanks for letting me be a friend and you will be truly missed. Rest in peace my friend. May peace be with your family.

“ Our hearts are heavy as we mourn the passing of my husband’s first cousin, Perry Light, at the age of 62. Perry loved racing cars and lived life with a quiet joy. He loved his children deeply and was a truly peaceful soul—kind to everyone he met. He will be remembered for his gentle spirit and the love he shared so freely. We are praying for his family and loved ones during this difficult time. 🧡🕊️

What you doin dumba##" was indeed his favorite greeting to those
