“ *The memory created by Wrenn-Yeatts and all the photos put together by the family was a great presentation of Michael Pendergraph's life.*

I've been burdened by the fact that I could not make the visitation or funeral. My apologies to the family. Through this video I've laughed, cried and have been in deep thought. This video fulfilled my day. It's so sad that we're here today and gone tomorrow sometimes without notice. I wish I'd spent more time with Mike my last visit. He was always a pleasure to visit and chat with. I will always miss and forever remember Michael Pendergraph. He was a true friend and very kind in many ways to my mother, for that I am forever grateful. He was special and one of a kind. May Mike Rest In Peace and his family overcome the sorrow of his absence and forever hold on to the memories.

With love and sadness!

“ *Michael was one of a kind. Almost fifty years of friendship. He could get along with anyone, anywhere, but seemed most at home in the Carolina woods. I learned a lot from him and will miss him. It's the end of an era. Condolences to Susan and his children, he is irreplaceable. You could always count on Michael. If you had a problem or a project, Michael would drop everything to lend a hand. During bleak times he was there to help. And during the good ones he was ready to organize a pig pickin'. I remember him and our adventures together with joy. It was a blessing to be his friend.*

“ The Bailey family sends sincere condolences to all Mike's family. We will always remember and be grateful for the friendship Mike shared with our father, Wayne Bailey. During Dad's final years, Mike would drive him to meetings and would even take him turkey hunting. One cherished memory will always be when Mike brought his family to Piney Forest Nursing Center to help celebrate Dad's 89th birthday! They surprised him with balloons and created a lovely party. Now, these two buddies are reunited. Mike, thank you for caring, helping, and for being such a great friend!
