“ Phyllis and Bill were a Big part of our family after she cared for our children, Erin and Kyle, not just as children, but throughout their lives. WE loved her like a Mother/Grandmother and shared so many wonderful memories. She was a very loving and generous person, always thinking of others before herself. WE will miss having her in our lives and her special visits! Sending hugs and prayers, Tim, Kim, Colin and Kellyn!

“ I spent a lot of time with Aunt Phyllis and Uncle Jiggs when I was younger. I remember throwing ball in their backyard with Tim, afterwards Aunt Phyllis would have snacks and something cold for us to drink. Tim and I were like brother and sister as teenagers. Later on, she gave me a shower when I got married and Tim sang at my wedding. A great family.
Aunt Phyllis, Trump has my vote!
