“ *From the first time I met Prindle, she so joyful and welcoming. I don't get to visit the church often but when I did , she remembered me. Once Pastor Mike , my brother, n I went to the home house garden for tomatoes. Prindle was busy canning . She was so willing to share the fruit of her labor. I recently tried her sweet pickles of which I fell in love !!! So happy in spirit for her Rejoicing with our Lord. She will be greatly missed but we will be reunited As we wait our Call to come home.
