“ I have so many wonderful memories of Aunt Reva that it would be impossible to list them all. Even though I did not get back to Va. very often, when I did she always made us feel as if we were at home & had never been gone for years. But there is one memory that will be with me for the rest of my life. When I was young, Aunt Reva lived in a mobile home & in the hall of the bathroom there were several drawers built into the wall, on top of that there was a shelf that Aunt Reva kept her make-up on & brat me use to pull out the drawers & climb up & get into all her make-up. I had my butt whipped constantly for that. LOL Of course as all of us know, a whipping from Reva was like one of us kids slapping each other. And most of the time after the so called spanking we were hugged & kissed & usually given ice cream or something cause it hurt her more than it ever hurt us. Between Aunt Reva, Aunt Linda, Aunt Bobbie, Aunt Bobbie Jean and Aunt Pat, all of us kids had more Mothers than the law allows. And I am still leaving out some Aunts, not to mention all the Uncles we had. Boy you talk about LOVE, we all had plenty of that. I Thank God everyday that I was lucky enough to be born in our family. My only regret is that I live so far away from all the people who made me into the person I am today. The one thing I am sure of is that when I or anyone in our family goes to Heaven, the rest of our family will be there waiting with open arms. Kisses & Hugs Aunt Reva ! We all love & miss you dearly!!! Give Daddy a kiss for me, & take Greg under your wings. I Love You,
Connie Walker Cox
