“Richard was my first supervisor at Corning Danville Plant. We became very good friends and he helped me throughout my career. Richard was a very good, fair, honest man and I am grateful for all he taught me during our time together in the Quality Department. I wish to express my condolences to his family and I am a better person for having known Richard M Mann.

“ Prayers for God to give the family peace and comfort as only he can. 🙏🙏

I thought a lot of Richard we had some very good conversations since I meet him. We went to church together the last 10 years. But I first meet him through my best friends Doug & Nancye Gery. Richard and Doug worked together at Corning and thought a lot of each other. Richard was such a good man and will be miss so much. 🙏🙏
