“ Thank you, Melinda, for loving Robert. We always counted him as one of us ... a grandchild, a nephew, a cousin. While he had the "Yarbrough" blood, he was blessed to have had the "McSherry" love. Prayers for all of you.

“ Dear Melinda and Family,

Carolyn and I are very saddened by your loss. Robert was an important part of my early years, when we could spend Sunday's together playing, away from the grown-ups in the red-dirt hills of "Dixieland". This was at Murr's and Grandma's, where the warmth of family and Sunday Dinner gave us a full childhood of good memories. I loved him as a brother and certainly a best friend in those days, and somehow we split, he heading north post-high school, and me south. I count on him now as a sterling example of what is honest, discerning and loving among mankind. We send our love and prayers to your family and Robert's community.
