“ Helen and family, I am so sorry about your loss, my heart aches for all of you. I can only imagine the reunion taking place in Heaven today. There was a welcoming committee, along with Jesus, waiting for him at the golden gate. Herbert being among them. He always said Bobby was more like a brother than a friend. They spent many hours together, since they were young boys. Bobby, Chuck Bliss and Bob Thurman helped lead Herbert to Jesus. I will always remember that night. Tears of joy, because Herbert's family had been praying for this to happen. Helen, you and Bobby were blessed with many years together and you were an inspiration to those around you. He loved all of you and was very proud of each. I would name all his family who has been living in Heaven, but I surely would forget one!! Much sympathy to Betty Jean and Marie also. I love you all like family. Until we meet again, Bobby! Thank you for being a special friend.

“ *Dearest Helen and Family,
We cannot begin to tell you all what a brilliant example to live by Bobby was for so many people as he quietly went about his way in his daily living and in sharing the Word of the Lord in service to any and all people he came in contact with. So many were touched by his dedication and humbleness and offering his time to share in the Lord's Word and do the Lord's work. He was well respected here in the community, as well as the surrounding area as a gentle giant of compassion, kindness, and thoughtfulness. We believe that words are inexpressible in stating the loss you must feel. It has been said that grief is the price you pay for love and we all know Bobby was dearly loved. We are praying for you to find strength in your memories of a life well lived. He has earned his wings and we Praise the Lord that he suffers no more. With love and in our thoughts and prayers, The Billy Stowe Family*
