“Daddy,
You've been gone a month today...just typing that makes my heart break. I know you're in heaven where there is no pain and you won't see this, but I have to hold on to every part of you that I can including writing on this page. You were my rock and my safe place when life was too hard-I feel completely lost without you. Everyone says it will get easier with time, but I don't believe that's possible. I miss you so much it physically hurts...it all happened so fast that I don't think any of us have really had time to wrap our heads around this...
I love you and I wish more than anything I could see your smile, hear your laugh and feel one of your big hugs. My heart is completely broken. I will miss you always.

Love always,
Your Baby Girl

“To the family, I really enjoyed my time with Steve as he was the drummer for "The Men of Soul" over the last 4 years before we stopped performing. He was the nicest and most laid back person to know and always had a smile. It is with sadness that I am writing this, but I know that his memory will always linger strongly in my heart. I will be making a donation in his honor soon!

“ Hannah, and Stephenie , I don't have to tell you I always admired Steve for being a great Daddy to his girls you were his life and soul. And he will be blessed for that .He was a kind and caring person and showed his girls the right path to follow. He will be remembered by many and when he is, there will be a smile on their face because he had that effect on people. I picked a green candle because I know he use to love a football team that was green ,I think it was the Jets ? I will miss his kindness and smile , try to remember all the good times in your life and keep the stories going for the grandchildren that were hid heart. So he will stay fresh in their minds and heart and will not forget him and you will not be sorry. All my love Judy Chaney
