“ I worked with Tracy at American National Bank. She was everything you would wish a coworker to be. She was kind, smart, and always willing to help. I never heard her say anything bad about anyone. Her Christian values were a shining light. We kept in touch with occasional texts, and she would send me pictures of family, especially the grandchildren. I will miss her. Keeping the family in my prayers.

“ *I'm so amazed by the life Traci lead. She truly embodied the Christian faith, not just in her words, but in her daily life 🙏. It's a rare and beautiful thing to witness such genuine faith and compassion in today's world 💖. She showed everyone around her what it means to live with purpose 😊. From the very first time meeting her at Papa Tals, no matter the situation as to why I was seeing her whether it be Christmas or a holiday or just to spend a little time, no doubt about it; Traci was warm, she glowed, and was the definition of Godly woman. It has been a little time since I seen her but no doubt about it she's with Jesus now. It was a blessing to have met her and for my son to have a aunt as pure, kind, and loving as her. I pray for the family, to have comfort and always remember the sound of her laughter, glow of her smile, the example she left and what she did in her dash or blink of life. Prayers for her children, she loved them like no other; just as she loved her husband, mother, father, brother, sister, family and friends. Lord place a hedge of protection and love all around you all.*
