“ Vicky has always been a special person who was ALWAYS smiling and encouraging. She was a daily ray of sunshine and encouragement through the years when my mom would take me to her work to say hello and catch up. Vicky silently had a special place helping the residents of Danville in her job, being patient and kind to everyone regardless of their situation. I've always looked up to her. Vicky, we love you. Until we meet again. ❤️

“ I dont even have words to describe how we feel right now, just heartbroken. Completely heartbroken.

Aunt Vicky was one of the strongest, smartest, most kind hearted, giving, beautiful ladies I have ever had the honor or pleasure of knowing. She was my mamas best friend. They did life together. I came along and she took me right in. We all did life together. I can't count the times we would meet for lunch or dinner and talk. The times we would just sit in her car and laugh, talk, cry together, whatever was needed at that moment. We would shop together, do car shows together, Vacations, holidays, we did it all. She was there for all of my big life moments- marriage and births. If I ever had anything exciting or sad She was one of the first people I would call or text. She was ALWAYS there, ALWAYS. day or night. She never needed or wanted any recognition for any of the things she did for us or anyone, she was just there to love people well. She would probably even get me for saying this much now.

I'm just so thankful for her, I hope she knew how much I loved her, how much my family loved her. I am so thankful for the love she showed me and my family. I wish I could say more, but words just can't describe how truly wonderful Aunt Vicky was. I'm so thankful this woman, my mamas best friend, chose to adopt me into her heart and family and loved us so well. She will forever be a part of our lives and memories.

Tim, John, Larry, Ann, Nancy, Susan, I know you all are heartbroken. You loved Vicky and she loved each of you, so much. You all were her rocks. Each of you and the entire family are in our thoughts and prayers. We know she is in a much better place, we know we will see her again, but saying goodbye is so hard. We love you Aunt Vicky, from the bottom of our hearts.
