“ I am sooo sorry to hear of Winnie's passing. I have known her for many many years even though we were not in touch these later years. I worked with her Aunt Jean Neal at Lorillard Tobacco co. years ago when I first met her and then she and I worked together at Peoples Bank on North Main Street for awhile. Lots of memories , like when we got together for a Great fun Christmas party at her house and dances with her and Ralph and me and my partner Raymond Moore who just passed in March, so my heart goes out to the family and especially Ralph since the sadness is still with me. maybe Winnie and Raymond will meet in heaven and have a dance for us.

I have to tell a funny story about her when we were working at the bank. We both were having hot flashes and I remember one time when we had just come out of the bank to get in our cars and go home, but it was sooo cold and she , with her dry wit, said where the hell is a hot flash when you need it! She could be very funny and not crack a smie but make me laugh.

Sorry to keep on and on, but so many memories.

My heartfelt sympathy to the whole family of a very special lady.

“ *This hurts my heart to see that Winnie has passed away. I worked with her at AMNB many years ago. She was a sweet and precious lady, one you could never forget. She would share stories with me about her love of Charleston, SC. She loved her family dearly, she loved her cats. She loved Vivian Leigh, as Scarlett O'Hara on Gone with the Wind. She was a true Southern Bell. She actually got a Portrait from me of Vivian Leigh as Scarlett and it hung above her stairwell in her home. I loved Winnie very much she was a very dear and special friend. Whenever we would run into each other we would pick up right away. She was the classiest lady I have ever had the pleasure of knowing. I know her family are going to miss her terribly and anyone who knew her. She will always hold a special place in my heart. Condolences to Ralph and Family.*

*My prayers are with the family. I got to know Winnie as her neighbor. I lived across the street on Montague from her and Ralph. Such a joy was Winnie. Very caring and special. Always remembered my birthday, as well as my husband Bobby and daughter Rachel. She did her best to look after her aunt Barbara. I would see her often at Stratford House. I am a housekeeper there. Winnie would bring her gardenias from her garden. Oh how she loved her flowers. She loved the color pink. Ralph kept their yard immaculate. She always loved the old town of Charleston. I believe her design style mimicked that style. Now she is resting with her own garden in the heavenly realm.*
